

A4 Leaflet Template (210x297mm)

Format size to be submitted (216x303mm)

Finish size +3mm cutting margin (bleed)

It is advised to let the background if coloured and all of the images run through to this edge. This ensures that your printing can be cut neatly and prevents a white edge around your print.

Finished size (210x297mm)

Your printing will be cut on these dimensions. This format will be the final size.

Safe zone (4mm)

Please make sure you keep your important images and text 4mm clear of the cutting edges.
